

INSTA CO 1 & INSTA CORK 1 photoframe 10x15

design PAULO COSTA

Following the philosophy of the PLY&co.[®] collection, this playful and ecological photo frame adds a natural but sophisticated complement to your environment. The 4 included coloured wood pins invite to give a personal touch to your decoration. Assemble them in 3 simple steps on your own or with the kids without the danger of breaking glass. The 10x15 Valchromat[®] or cork frames can be used in portrait or landscape orientation, for those special square caption shots with your smartphone.
