

MAN'IKIN hanger rack

design PAULO COSTA

A perfect mute waiter to take care of your daily outfit changes. Made from 25mm thick Valchromat® coloured allthrough (not lacquered) and finished manually with easy keeping natural waxes, the MAN'IKIN is a piece that will aid you daily in your bedroom or working space. We know how it breaks when it comes to quick changes of clothing, depending on weather or humour. A chair wasn't designed for that. Dismountable yet sturdy, it can be shipped flat-packed and also be provided with a set of 2 wheels, for more dynamic or professional uses (by order). Good for up to 16 hangers
